CCCEP Releases 2024-2026 Strategic Plan

January 24, 2024, St. John's, Newfoundland and Labrador – The Board of Directors of the Canadian Council on Continuing Education in Pharmacy (CCCEP) approved its 2024-2026 Strategic Plan at its November 2023 Board meeting.

Following an extensive process that focused on understanding the evolving landscape of the pharmacy profession, the Board developed a three-year plan designed to build on its current work and to create new opportunities to better serve the profession. The plan, which can be found at [Strategic Plan \(cccep.ca\)](https://www.cccep.ca/StrategicPlan), is both ambitious and realistic.

CCCEP's President Sheena Deane commended the Board of Directors for its work, stating "I am confident that the important objectives identified in the plan will be achieved due to the commitment of the Directors and the organization's dedicated staff" and "I am excited about the impact the objectives can have on the profession".

About CCCEP

The Canadian Council on Continuing Education in Pharmacy (CCCEP) is a national organization established to accredit continuing pharmacy education programs for pharmacy professionals across Canada. CCCEP accreditation is recognized by the pharmacy regulatory authorities in all provinces and territories of Canada.
